** VACANCY RE-ANNOUNCEMENT **

OCTOBER 11, 2012 #73-12

DEPARTMENT: C.R.I.T. FARMS

POSITION: SHOP MECHANIC

SALARY: D.O.E.

CLOSING DATE: **OPEN UNTIL FILLED**

SUMMARY:

This individual will be based out of the Bruce Church shop and also operate a mobile service vehicle and travel to all field locations to perform in-field, machinery diagnostics and repairs as required. These repairs will consist of, but are not limited to, complete component removal, disassembly, and reconditioning, following prescribed technical manual procedures. This individual must be able to perform quality work as efficiently as possible to return equipment to the field and not delay production, work long hours and weekends on occasion. This position will be on call 24 hours a day, 7 days a week.

SPECIFIC DUTIES INCLUDE:

- Perform in-field machinery diagnostics and repairs as required.
- Diagnose, inspect, recondition, repair, assemble, and service equipment as assigned by the Shop Manager.
- Document machine information and repairs completed on work order, including parts and fluids used.
- Maintain a clean work area, as well as care for all shop tools, machines, and equipment.
- Maintain up to date on technical and product knowledge on all equipment.
- Follow all safety rules and regulations while performing work assignments and adhere to all policies and procedures as specified in company manuals and as directed in the employee handbook.
- Conduct self in the presence of C.R.I.T. employees and community so as to present a professional image of C.R.I.T. Farms.
- Proactively seek and participate in available training, in an effort to develop and advance knowledge base and skill set.
- Participate in all company driven communication efforts, including open book

meetings, huddles, department meetings and other related efforts.

- Maintain a positive and professional working relationship with peers, management, and support resources, with a constant commitment to teamwork.
- Perform all other duties as assigned by management in a professional and efficient manner.

REQUIREMENTS:

- Must have a High School Diploma or G.E.D.
- Graduate of related diesel and hydraulic technology program (preferred)
- Excellent mechanical skills
- *Trade specific* tooling, including hand tools and pneumatic tools
- Current and valid driver's license as outlined in company policy manual
- Ability to assemble and perform maintenance functions on equipment
- Strong computer skills
- Excellent customer service skills
- Excellent oral and written communication skills
- Strong organizational skills
- Strong welding skills
