Hello, I am Anthony Stone Jr. I am 52 years old and a full blooded Mohave Indian from the Myoolch clan.

I have been married to Tonia Stone for the past 20 years. We have 9 children and 10 grandchildren. My daughter Mokomis Stone, holds the title of Miss CRIT 2019-2021.

My parents are the late Anthony Stone Sr. and the late Viola Korems Stone. I have 5 sisters and 1 brother.

I was born, raised and have lived on the CRIT reservation all my life. I have been employed with the CRIT cemetery for the past 10 years and have taken part in many ceremonial rites for our deceased. I have also worked for the CRIT HIP Department and CRIT Housing Dept for many years.

I decided to run because I am tired of how things are being handled. I told myself it's time to stop b*#i** and it's time
