

My name is Daphne Hill-Poolaw (Mohave/Chemehuevi) and I'm interested in the Two (2) Year Term. My parents are the late Reverend David Smith Hill (Chemehuevi) and Jacqueline Swick Hill (Mohave). Born and raised within the boundaries of the Colorado River Indian Reservation and am the eldest of eight (8) brothers and sisters and have four (4) adult children of my own. I attended Parker Elementary, Valley School, Parker High and graduated my Senior year in Zuni, New Mexico. Attended College at Arizona Western; Munson's Business College, San Francisco, CA; Heald's Business College, Oakland, CA and Jimmy Swaggart Bible College, Baton Rouge, LA.

Qualifications: Legal Stenographer (Certification); Certificate of Ordination; American Sign Language (ASL); Past member of the Arizona Court Reporter's Association; National Native Americans for the Hearing Impaired and the Arizona State Deaf Council. Currently sit on the Business Enterprise Board and CRIT Education Board; served on Parks & Recreation Committee; Johnson O'Malley; CRIT Farm Board; Mohave Elders Committee; Human Resource; La Paz Regional Health Board.

Work Experience: Currently Retired and Pastor All-Tribes Sonlight Mission, Poston, AZ (25 years). Prior to retiring I sat on the Tribal Council until 2008; in June 2000 was the CRIT Enrollment Officer; prior the following positions held as CRIT Tribal Court Reporter; Word Processing Recorder; Tribal Council Clerk (JTPA); Executive Secretary (Alcohol & Rehab Program); Executive Secretary (Master's of Public Health/UC Berkely); Secretary (Parker Agency BIA/Personnel) and UC San Francisco Police Department.

Current concerns is the future of this reservation. The Tribes currently own and operate a large Business Enterprise but need experienced management to oversee its enterprises such as Running Man 1 & 2; Aha Quin; Villa Shores; Wheeler Inn; Sandy's Trailer Park located in the Poston area; Bermuda Palms; Blue Water RV Park; Colorado River Building and Material; CRIT Sand and Rock; Kofa Inn; Water Wheel; Plaza; CRIT Airport; CRIT Theatre and Arcade; Big River Development (BRDE)-Water/Lease; Four (4) Feathers; Boat Storage; Blue Water Lagoon and River View. Major concerns is the hiring process through the Human Resource with prolonged background investigations; the need for appointing Tribal Board and Committee members, just to name a few. I believe that the most important key is that each Tribal Member candidate take action to bring forth sound government and laws to the land that God has blessed this Tribe with. God's formula for success is simple: **OUR LABOR – HIS FAVOR – HIS PEOPLE**

I bring with me commitment, honesty and integrity. I will do my utmost to faithfully and diligently represent this unique tribe. I take great pride knowing that our founding fathers and past tribal council served in carrying the torch for our future generation and generations to come. Thank you - Daphne Hill-Poolaw
