## Colorado River Service Unit COVID-19 (Corona Virus Advisory)

The Colorado River Service Unit (CRSU), which includes: Parker Indian Health Center, Irene Benn Health Clinic (Moapa, NV), Peach Springs Health Center, Chemehuevi Clinic and Supai Clinic will remain open Monday through Friday, 8:00 am to 5:00 pm. Chemehuevi Clinic (Monday, Tuesday, Wednesday, 8:00 am to 5:00 pm), Emergency Department will remain open 24/7.

Specialty Clinics (Audiology, OBGYN, Rheumatology, and Surgery) at all CRSU locations are canceled until further notice. The Dental Clinics at PIHC and Peach Spring Health Center will see emergency dental cases.

Pharmacy will begin issuing 90 day medication refills for all patients 65 years and older. If you are 65 or older, your doctor can also write new prescriptions for up to a 90-day supply of your medications. Exceptions to this policy are medications that require frequent monitoring and narcotics. Once the need for social distancing is over, fills and refills will revert to 30 days.

If you are a student currently home, please contact the Public Health Nursing Department and inform the Public Health Nurse of your current health status. PIHC (928) 669-3363, Supai Clinic (928) 448-2641, Peach Springs Health Center (928) 769-2900 or Toll-Free 888-478-4369.

All individuals entering CRSU facilities will be screened. Depending on the symptoms, a doctor will evaluate the individual to determine if testing is appropriate.

The Inpatient Department at Parker Indian Health Center will remain open 24/7. To protect our patients and visitors: Only one immediate family member can visit a patient at a time. No visitors under age 15 years old. Visitors may contact patients by telephone. To reach a patient in the Inpatient Department, you can call (928) 669-2137. In addition, "We Care" zones, to protect patients from the common cold and flu symptoms, are located in the front entrance lobby and in the Emergency Department.
