

Colorado River Indian Tribes

Colorado River Service Unit
COVID-19 (Corona Virus Advisory)
March 30, 2020

Greetings CRSU Community!

On Wednesday, April 1, 2020, Parker Indian Health Center will begin a Temporary Drive-Thru Pharmacy for the purpose of picking up refill prescriptions. This Temporary Drive-Thru Pharmacy will be available Monday - Friday from 11:00 am to 3:00 pm.

Call Pharmacy at (928) 669-2137 option #3 to check if your medication is ready to be picked up. When you drive up to the main entrance, a staff member (runner) will greet you, take down your information, and go to the pharmacy to retrieve your medication.

If you need to speak to the pharmacist about a medication, you will be directed to a designated spot and a pharmacist will come out and speak with you. Please allow ample time for our staff to assist each patient.

Also, please assure that you have a valid form of identification to show the runner when coming to retrieve refills. You will need patient name and date of birth or chart number. You will also be required to show your photo ID if you are picking up controlled substances (narcotics).

Please keep in mind information and recommendations may be subject to change as the situation evolves.
